About US

Introduction

Midlothian Sports, Inc is a 501©3 registered, volunteer ran non-profit focused on providing low-cost recreational athletic opportunities to both youth and adults in the greater Midlothian area. One of our primary objectives is to see young residents improve their health and fitness, while developing their sports skills and character along the way. Our board of directors would like to invite you to partner with us in the mission to serve the participants of this community, where we believe every player counts.

Local SPONSORS

We are anticipating 300 participants this season. Our organization has developed a huge opportunity for local partnership with you. Each week, throughout the season, we have between 500-700 unique spectators attending one of the 15+ games in our community. Our social media posts will reach thousands of people during the season.

Our goal is to assist you in branding your business locally as a supporter of our community. Not only will we support you in branding and customer acquisition, you will also get the opportunity to be apart of a wonderful program. Your sponsorship will support the program in providing player uniforms, fees, officials, tournament festivities, and other administrative overhead to operate. Thank you for your consideration to make an impact in the lives of so many!

Every **PLAYER** *counts*

PLAYER SPONSORSHIP

Midlothian Flag Football League offers scholarship awards to deserving boys and girls that want to play in our league. The scholarships are given to children of low income families in need of financial assistance.

\$169/PLAYER

We think all kids should have an opportunity to play flag football whether their families can afford it or not. So we're raising money and accepting donations to go 100% towards flag football league scholarships that will be given to deserving kids.
